

Transnational Giving Europe (TGE) program

If you wish to make a donation to PU for one of our programs including STVA while benefiting directly from the tax advantages provided for in the legislation of your country of residence, you can do so through the Transnational Giving Europe (TGE) program.

TGE is currently operational for donations from and to Belgium, Bulgaria, Germany, Hungary, Ireland, Italy, Luxembourg, the Netherlands, Poland, Romania, Slovakia, Slovenia, Switzerland and the United Kingdom.

Transnational Giving Europe (TGE) is a partnership of leading European foundations and associations that facilitates tax-efficient cross-border giving within Europe. The TGE network enables donors, both corporations and individuals, resident in one of the participating countries, to financially support non-profit organisations in other member countries, while benefiting directly from the tax advantages provided for in the legislation of their country of residence.

If you wish to make a donation to PU for one of our programs including the STVA, you have to contact the foundation in your country of residence. The foundation will transfer your donation to PU via the Fondation de France and then provide you with a tax receipt.

You can also contact Myriam Meskar, donors relation manager, she will guide you through this process. +33 (0)1 43 40 42 00.
